

**Importation of Firearms and collection of firearm at the airport – (US\$ 140 per entry form and can have multiple rifles registered)**

**We can organize a pre-issued import permit before your arrival.**

**You need to send us by email or registered post, 4 weeks before arrival, the following documents:**

- **Copy of your passport**
- **Return tickets to country of origin (e-ticket is sufficient)**
- **Proof of ownership of the rifle (US citizens need to obtain a 4457 certificate at their local customs office. You need this certificate to bring your rifle back into the USA)**
- **Fill in the SAP520 form we will send you or download it of the internet and fill in and SIGN the necessary blocks. [www.saps.co.za](http://www.saps.co.za)**

**We will accompany your documents with an outfitters letter, a copy of our outfitters license.**

**On your arrival at the airport: if you fly SAA, you need to collect your luggage and sign for your rifle before leaving that area. With Delta or other airlines you collect your luggage and walk out. In the arrival hall, you will find the South Africa Police on your right hand side where all rifles will be collected.**
